Hospital District Calls \$500,000 Bond Vote

SHOW WILL GO ON—Following rains early this week, the Green and White show is now ready for the youngsters with eight rides and concessions. Proceeds from the kiddie carnival being staged during the "Crazy Day" promotion by Hamlin merchants will benefit the Hamlin Child Care Center. The show arrived here

Monday during the rain but workmen have been able to avoid the puddles and are now in operation. The slow falling rain during three days totaled 1.56. Sunday the official measurement was .18; Monday, 1.35 and Tuesday, .03.

The Board of Directors of the Hamlin Hospital District has called a \$500,000 bond election for Saturday, Aug. 24. This amount of bonds, if approved by the voters, will be in addition to the \$500,000 approved in December when the district was created.

Absentee voting on the issue is now underway at the City Hall in Hamlin. The election will be for all qualified voters residing within the district and will be held in the Hamlin City Hall Conference Room. Polls will be open from 8 a.m. until 7 p.m.

The additional bonds are needed to meet the increased costs of remodeling the Hamlin Memorial Hospital to meet the federal and state requirements.

Current estimates of the cost of remodeling has been set at \$650,000 by Don Hampton, Sweetwater architect, hired by the board. This figure is based on current construction costs

and does not allow for any increases between now and the estimated start of work sometime after the first of the year.

The \$650,000 estimate also does not include any of the major equipment that will be needed by the hospital such as a new X-Ray machine and other items.

The projected tax rate for the total amount of bonds sought by the district (\$1,000,000) would be 40 cents per \$100 valuation.

The board has given tentative approval to plans submitted by Hampton that call for reducing the hospital from 42 beds to 34 beds. This includes about 5,000 square feet of new construction which will include a new kitchen, dining facilities, an emergency room, lab and X-Ray room, new mechanical room and a central lobby.

This is the second set of plans submitted to the board. The board rejected the first set as being beyond the reach of the district.

The remodeling of the present hospital building would include two intensive care units, the nurses station moved to the present waiting room, two wards in the west wing and two rooms without private baths. The balance of the rooms would all have their own private bath facilities and all rooms would be increased in size to meet federal regulations.

The present air conditioning and heating system will have to be completely replaced and most of the plumbing must also be replaced. Oxygen and suction will be piped into each room as required by federal regulations and a sprinkler system must be installed throughout the building.

If the voters approve the issuance of the additional bonds it will still be several months before bids can be let and construction started. The final plans must be approved by several state and federal agencies.

The current estimates of cost are based on \$20 per square foot for remodeling and \$40 per square foot for new construction.

Physicals for Athletes Set Here Friday

All boys who are planning to participate in high school athletics during the coming school year are to report to the Hamlin Clinic Friday at 1 p.m. for their physicals, according to Coach David Bonds.

A charge of \$7.50 will be made for the physicals this year, the coach said.

All football players were issued shoes here Wednesday in preparation for the opening of workouts Monday. Under U.I.L. rules, the boys will work out in shorts the first four days of next week and then put on their uniforms for the first time on Friday.

The two-a-day workouts will start at 7 a.m. and 6 p.m. each day next week.

An intrasquad scrimmage will be held Saturday, Aug. 17, with the freshmen and junior varsity teams going against each other at 6 p.m. and the varsity split into two squads for their scrimmage that will follow.

McCaulley School Year Opens Aug. 19

Paul J. Morris, new superintendent of McCaulley Schools, has announced that school will open in McCaulley Aug. 19 with a general assembly in the gymnasium at 8:20 a.m. All patrons are invited to attend, he said.

A regular class schedule will follow with dismissal at 3:40 p.m.

Teachers will report to the school Aug. 12-16 for in-service work days.

Grades 10, 11 and 12 will register at the school Friday, Aug. 16 from 1 to 3 p.m.

Football practice will begin Wednesday, Aug. 14 at 6 p.m.

Three faculty members are returning this year, Mrs. Zenobia Encke, English; Mrs. Edna Thompson, homemaking; and Mrs. O. F. Hill, grades five and six.

New faculty members are Morris, superintendent and math; George Schroyer, principal and science; Eldon Chambers, vocational agriculture; Larry Long, coach and social studies; Mrs. Geneva Carter, business and seventh and eighth grade math; Mrs. Mayna Davis, grades three and four and music; Jane Mash, grades one and two.

Teacher aides will be Mrs. Eldon Chambers and Mrs. Sarah Stevenson. Lunchroom cooks will be Mrs. Current and Mrs. Lawlis.

Kindergarten students will not enroll until the second term, after Christmas, and will attend the full day.

Plans are being made for changes in bus routes, Supt. Morris noted. Route No. 7 (Smith) will leave at 7 a.m. and make the same stops as last year down to Highway 180, west along 180 to edge of Roby District, back east to Cassidy corner and north to school and arrive at school at 8:10.

Route No. 8 (Coach Long) to leave school at 7 a.m., proceed south to Jerry Jeffrey's, back north to just beyond Billy Jeffrey's and turn west to Sylvester, from Sylvester direct to school, arriving at 8:10 a.m. A small bus or car will make the route toward Royston.

Mrs. Tom Cammack and Marianne Hobbs, N. M., spent the weekend with her parents, Mr. and Mrs. A. H. Milsap.

Melinda and Mark Cunningham of Richardson are visiting this week with their grandparents, Mr. and Mrs. L. J. Cunningham.

NEWS AND VIEWS. . .

And What Have You

By BOB CRAIG

It was with a deep sense of regret that the directors of the Hamlin Hospital District voted here Friday to go back to the people for more money to do the remodeling and renovation on the Hamlin Hospital.

Like everyone else, the directors found themselves caught up in the same spiraling inflation that is gripping the whole country. The money that they thought would do the job nine months ago is simply not enough today. And with work still as much as six months away from being started it is hard to say just how much more of a bite inflation will take in the construction dollar.

Last fall when the temporary board set the bond figure at \$500,000 it was based on the best estimates available at that time but it was without the benefit of an architect or engineering firm because until the district was approved by the voters there was no one to hire such a firm.

Now the board has given tentative approval to a rough set of plans for the remodeling of the hospital and these plans call for an estimated expenditure of \$650,000, plus needed equipment. And this is the second set of plans, the first set was even higher.

The projected tax rate to retire the full \$1,000,000 in bonds (the \$500,000 approved last December and the \$500,000 to be voted on this month) is expected to be 40 cents per \$100 valuation. This is naturally twice as high as the figures projected last fall but then we are talking about twice as much money to do the job.

This struggle to keep a hospital in Hamlin has been a long hard battle and one that will cost each of us, but then no one ever promised that it would be easy or cheap.

The voters of the district gave overwhelming approval for the district last December and indicated that they wanted to pay the price to have their own hospital. Now we must go back to the polls again and indicate our desire to finish the job that we have started.

It is just as important that we have a good turnout of voters for this bond election as it was when the district was created. A good many of your fellow citizens have donated many hours to this project and the least you can do is donate the few minutes it takes to cast your ballot.

Hamlin students register here next week to prepare for the 1974-75 school term. First day of classes will be Monday, Aug. 19.

Elementary school students, kindergarten through fifth grade, are to register Tuesday, Aug. 13, and Wednesday, Aug. 14, from 9 to 12 a.m., 1 to 3 p.m. each day, according to Larry Butler, principal. Parents of children whose records were incomplete at the close of last school term must complete these before school opens.

To enter kindergarten a child must have a copy of his state birth certificate, records from a hospital,

During registration, students will be enrolled, be issued textbooks, assigned lockers, select electives and receive various forms to take home for parental signatures, Carlton said.

Students entering the Hamlin schools for the first time should bring grade records, a cleared book card, and a complete immunization record. New students may not be officially enrolled until that student presents a properly certified immunization record. Students who attended Hamlin schools last term do not need to furnish immunization records as these are on file at school.

Students will be required to purchase workbooks in subjects where required. These will cost from \$1.75 to \$4.50, depending on subject.

NEWS FROM McCauley

By MRS. FRED KEMP

After days of wishful thinking the rains came Monday measured three inches at the Fred Kemp rain gauge at four o'clock—Monday and still falling.

Ted Abbott returned home Saturday after a visit with grandchildren, Mr. and Mrs. Teddie Abbott of Fredericksburg and their daughter.

We are most happy to have Mr. and Mrs. Ricky Jeffrey and Stuart move to McCauley. They have bought the Harvison home and are already living there. They plan to remodel as they have time. Ricky works at Celotex.

Ruth Kemp Crance moved from St. Mary's Hospital in Lubbock to her apartment in Lubbock. She is recuperating slowly but is glad to be home after two weeks in the hospital.

Mrs. Bill Young has been in West Texas Medical Center, Abilene, undergoing tests and plans to go back for more

tests and perhaps surgery this week.

Mrs. Eula McHone and Maudie Fancher attended the Fancher Reunion at Buffalo Gap recently.

Mr. and Mrs. Don Ferguson, Brenda and Gail Don of Spur visited in the home of the Charles Fergusons Sunday.

After conferring with Superintendent Paul Morris of McCauley Schools we would like to suggest a meeting of parents, board members, faculty and patrons of the McCauley School for cake and ice cream Aug. 27 at 8:30. A good chance to meet new school teachers and personnel.

Word was received that Byron Maberry of Odessa, brother of Luther Maberry of this community, was electrocuted while working on an engine.

A play night will be held in Charlie Myatt Arena immediately after the parade. Trophies will be awarded in four age groups in barrels, poles and flags.

The open horse show will be held at 8 a.m. Saturday, Aug. 17.

Weekend guests in the home of Mr. and Mrs. Clarence Foster were Mr. and Mrs. Gordon Brown of Ryderwood, Wash. They also visited Mrs. Brown's mother, Mrs. Martha Proctor of Holiday Lodge.

at stake from their own selfish interests to write an acceptable document.

Maybe we will learn from this experience and plan a little better the next time we try to rewrite our constitution.

Bobby Moore, this year's Pied Piper Booster Club president, is off and running in his efforts to get that organization going for the coming football season. He launched the membership drive this past weekend and is also selling tickets to a barbecue to be held here the night of the Seymour scrimmage. He also has come up with another way to get into your pocket book but due to postal regulations we can not say anything about this.

But the organization needs your support if it is to effectively meet the needs of our athletic department and our athletes. With the high cost of equipment and other items needed to field a football team it gets harder every year to support the program on gate receipts alone.

OUR USE OF LEISURE

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshiping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will ever persevere and the freedoms which we hold so dear will inevitably perish. Therefore, long from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEWS AND VIEWS...

And What Have You

Continued from page 1

If you know you will be out of town on Aug. 24 then you should go by the City Hall and vote absentee.

It is with very mixed emotions that I viewed the Texas Legislature's failure to approve a new constitution after wasting our tax money for the past seven months. I am disgusted that they did not see fit to let the voters decide the issue, but at the same time I don't think the voters of Texas would have approved it anyway.

So in a sense they save the taxpayers of this state a little money, not much in the light of what they wasted, but a little.

It was our opinion from the very beginning that it was foolish to expect the Legislature to come up with an acceptable constitution. These people simply have too much

School Calendar

Hamlin Public Schools will follow a common school calendar with schools in Jones, Fisher, and Stonewall counties for the 1974-75 school year, according to Superintendent Bob Hawes. The common calendar has been practiced for the past several years, and many of the school activities and the Tri-County Special Education (Plan A) programs will be jointly shared by the three counties. The official school calendar is as follows: Aug. 19, first

day of classes. Teachers' Inservice Days (Students will not attend classes on these days): Aug. 12-16, Oct. 14, T.S.T.A. District meeting; Jan. 6, Feb. 24, Apr. 11 and May 29. School holidays are: Sept. 2, Labor Day; Nov. 28-29, Thanksgiving; Dec. 23-Jan. 3, Christmas Holidays; Mar. 24-31, Spring Vacation (Easter). Commencement will be May 30.

Mr. and Mrs. Andy Bundas spent the weekend in Winters in the homes of their son, Mr. and Mrs. Dwayne Bundas and her mother, Mr. and Mrs. Leon Walker.

Among company officials here to honor Smith on his retirement from Shell were Dick Van Leare of Midland, left, District Superintendent, and Gene H. Sherwin of Houston, staff transportation specialist.

Retirement Party Here Saturday Honors Smith

Phil E. Smith, an employee of Shell Pipe Line Corporation since June, 1946, retired last week and was honored Saturday evening with a party at the high school cafetorium. Smith was Pipe Line foreman when he retired. He moved here from Wichita Falls in September, 1957. He had also worked as a Shell employee in Garden City, Big Spring, Denver City and Eunice, N. M.

Smith and his wife, Dimple, have two children, Phil of Borger and Mrs. Pam Collins of Lake Jackson. Party arrangements were made by Mr. and Mrs. R. V. Klepper.

Highlights of Smith's career were given by various guests. Smith was presented an electric barbecue grill and his wife was presented a gift certificate.

L. L. Beck, District Superintendent of Woodriver, Ill., was a special guest. Midland Shell personnel included R. J. Van Learer, district superintendent; F. L. Underwood, supervisor of personnel, Mr. and Mrs. J. L. Waddell and Mr. and Mrs. Don C. Shivers.

NOTICE OF ELECTION

FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF JONES

TO THE RESIDENT QUALIFIED ELECTORS OF THE HAMLIN HOSPITAL DISTRICT, INCLUDING THOSE WHO OWN TAXABLE PROPERTY IN SAID DISTRICT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 24th day of August, 1974, in the HAMLIN HOSPITAL DISTRICT, in obedience to an order duly entered by the Board of Directors of the HAMLIN HOSPITAL DISTRICT, which is attached hereto and made a part of this Notice for all intents and purposes.

WITNESS MY HAND, this 2nd day of August, 1974. Bill Harbert

Secretary, Board of Directors, Hamlin Hospital District

ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF JONES HAMLIN HOSPITAL DISTRICT

WHEREAS, under the provisions of Chapter 561, Acts of the 63rd Legislature, Regular Session, 1973, provision is made for an election to be held within the area of the HAMLIN HOSPITAL DISTRICT upon the question of whether the Board of Directors shall have power and authority to issue and sell bonds in the name of the District; and

WHEREAS, at the time of the election for the creation of the District, a proposition was submitted as to whether the Board of Directors of the District would have the authority to issue bonds in the principal amount of \$500,000, and it now appears that additional bonds will be needed in order to accomplish the purposes of the District, so that an election should be called to determine if this Board shall be authorized and have the power to issue and sell additional bonds. (in addition to the bonds approved at the election held December 18, 1973) in the amount of \$500,000; now, therefore,

BE IT ORDERED BY THE BOARD OF DIRECTORS OF THE HAMLIN HOSPITAL DISTRICT:

SECTION 1: That an election be held on the 24th day of August, 1974, which date is not less than fifteen (15) nor more than thirty (30) days from the date of this order, at which election there shall be submitted to the resident qualified electors of the area of the Hamlin Hospital District, including those who own taxable property and who have duly rendered the same for taxation, for their action thereupon, the following proposition:

"SHALL THE BOARD OF DIRECTORS OF THE HAMLIN HOSPITAL DISTRICT be authorized and empowered to issue the bonds of said District to the amount of FIVE HUNDRED THOUSAND DOLLARS (\$500,000) for the purchase, construction, acquisition, repair or renovation of

buildings and improvements and equipping the same for hospital purposes, and for any or all of such purposes, and shall there be levied, assessed and collected annually ad valorem taxes on all taxable property in the District, subject to Hospital District taxation, sufficient to pay the principal of and interest on said bonds as the same become due (providing such tax, together with all other taxes of the District shall not exceed in any one year the rate of 75 cents on each \$100 valuation), said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Directors shall determine?"

SECTION 2: That the official Ballots for said election shall be prepared in accordance with V.A.T.S. Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF \$500,000 BONDS"

The word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 3: That the area of the entire Hamlin Hospital District shall constitute one election precinct and the election shall be held at the City Hall, Hamlin, Texas. The following named persons are hereby appointed officers of the election:

A. B. CARLTON, Presiding Judge

MRS. ARLIE CASSLE, Alternate Presiding Judge

The Presiding Judge shall appoint not less than two nor more than six qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves,

the Alternate Judge shall be one of the clerks.

On election day the polls shall be open from 8:00 A.M. to 7:00 P.M.

Mrs. C. L. White is hereby appointed as the Clerk for absentee voting for said election, and the City Hall in Hamlin, Texas, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 5:00 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 4: Said election shall be held under the provisions of Article IX, Section 9 of the Constitution of Texas, and Chapter 561, Acts of the 63rd Legislature, Regular Session, 1973, which constitutional and statutory provisions shall also govern the holding of the election where in conflict with the General Laws of the State regulating elections.

SECTION 5: All resident qualified electors of the area of the District, including those who own taxable property in the District and who have duly rendered the same for taxation, shall be permitted to vote at said election. At said election two separate ballot boxes shall be provided at each polling place. In one box only resident qualified electors who own taxable property and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of said boxes shall be recorded, returned and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own taxable property and who have duly rendered the same for taxation from the votes cast by all qualified electors (including those who own taxable property and who have duly rendered the same for taxation).

Hospital District Calls \$500,000 Bond Vote

SHOW WILL GO ON—Following rains early this week, the Green and White show is now ready for the youngsters with eight rides and concessions. Proceeds from the kiddie carnival being staged during the "Crazy Day" promotion by Hamlin merchants will benefit the Hamlin Child Care Center. The show arrived here

Monday during the rain but workmen have been able to avoid the puddles and are now in operation. The slow falling rain during three days totaled 1.56. Sunday the official measurement was .18; Monday, 1.35 and Tuesday, .03.

The Board of Directors of the Hamlin Hospital District has called a \$500,000 bond election for Saturday, Aug. 24. This amount of bonds, if approved by the voters, will be in addition to the \$500,000 approved in December when the district was created.

Absentee voting on the issue is now underway at the City Hall in Hamlin. The election will be for all qualified voters residing within the district and will be held in the Hamlin City Hall Conference Room. Polls will be open from 8 a.m. until 7 p.m.

The additional bonds are needed to meet the increased costs of remodeling the Hamlin Memorial Hospital to meet the federal and state requirements.

Current estimates of the cost of remodeling has been set at \$650,000 by Don Hampton, Sweetwater architect, hired by the board. This figure is based on current construction costs

and does not allow for any increases between now and the estimated start of work sometime after the first of the year.

The \$650,000 estimate also does not include any of the major equipment that will be needed by the hospital such as a new X-Ray machine and other items.

The projected tax rate for the total amount of bonds sought by the district (\$1,000,000) would be 40 cents per \$100 valuation.

The board has given tentative approval to plans submitted by Hampton that call for reducing the hospital from 42 beds to 34 beds. This includes about 5,000 square feet of new construction which will include a new kitchen, dining facilities, an emergency room, lab and X-Ray room, new mechanical room and a central lobby.

This is the second set of plans submitted to the board. The board rejected the first set as being beyond the reach of the district.

The remodeling of the present hospital building would include two intensive care units, the nurses station moved to the present waiting room, two wards in the west wing and two rooms without private baths. The balance of the rooms would all have their own private bath facilities and all rooms would be increased in size to meet federal regulations.

The present air conditioning and heating system will have to be completely replaced and most of the plumbing must also be replaced. Oxygen and suction will be piped into each room as required by federal regulations and a sprinkler system must be installed throughout the building.

If the voters approve the issuance of the additional bonds it will still be several months before bids can be let and construction started. The final plans must be approved by several state and federal agencies.

The current estimates of cost are based on \$20 per square foot for remodeling and \$40 per square foot for new construction.

Physicals for Athletes Set Here Friday

All boys who are planning to participate in high school athletics during the coming school year are to report to the Hamlin Clinic Friday at 1 p.m. for their physicals, according to Coach David Bonds.

A charge of \$7.50 will be made for the physicals this year, the coach said.

All football players were issued shoes here Wednesday in preparation for the opening of workouts Monday. Under U.I.L. rules, the boys will work out in shorts the first four days of next week and then put on their uniforms for the first time on Friday.

The two-a-day workouts will start at 7 a.m. and 6 p.m. each day next week.

An intrasquad scrimmage will be held Saturday, Aug. 17, with the freshmen and junior varsity teams going against each other at 6 p.m. and the varsity split into two squads for their scrimmage that will follow.

McCaulley School Year Opens Aug. 19

Paul J. Morris, new superintendent of McCaulley Schools, has announced that school will open in McCaulley Aug. 19 with a general assembly in the gymnasium at 8:20 a.m. All patrons are invited to attend, he said.

A regular class schedule will follow with dismissal at 3:40 p.m.

Teachers will report to the school Aug. 12-16 for in-service work days.

Grades 10, 11 and 12 will register at the school Friday, Aug. 16 from 1 to 3 p.m.

Football practice will begin Wednesday, Aug. 14 at 6 p.m.

Three faculty members are returning this year, Mrs. Zenobia Encke, English; Mrs. Edna Thompson, homemaking; and Mrs. O. F. Hill, grades five and six.

New faculty members are Morris, superintendent and math; George Schroyer, principal and science; Eldon Chambers, vocational agriculture; Larry Long, coach and social studies; Mrs. Geneva Carter, business and seventh and eighth grade math; Mrs. Mayna Davis, grades three and four and music; Jane Mash, grades one and two.

Teacher aides will be Mrs. Eldon Chambers and Mrs. Sarah Stevenson. Lunchroom cooks will be Mrs. Current and Mrs. Lawlis.

Kindergarten students will not enroll until the second term, after Christmas, and will attend the full day.

Plans are being made for changes in bus routes, Supt. Morris noted. Route No. 7 (Smith) will leave at 7 a.m. and make the same stops as last year down to Highway 180, west along 180 to edge of Roby District, back east to Cassidy corner and north to school and arrive at school at 8:10.

Route No. 8 (Coach Long) to leave school at 7 a.m., proceed south to Jerry Jeffrey's, back north to just beyond Billy Jeffrey's and turn west to Sylvester, from Sylvester direct to school, arriving at 8:10 a.m. A small bus or car will make the route toward Royston.

Mrs. Tom Cammack and Marianne Hobbs, N. M., spent the weekend with her parents, Mr. and Mrs. A. H. Milsap.

Melinda and Mark Cunningham of Richardson are visiting this week with their grandparents, Mr. and Mrs. L. J. Cunningham.

Registration Schedules Local Schools Announce

NEWS AND VIEWS... And What Have You By BOB CRAIG

It was with a deep sense of regret that the directors of the Hamlin Hospital District voted here Friday to go back to the people for more money to do the remodeling and renovation on the Hamlin Hospital.

Like everyone else, the directors found themselves caught up in the same spiraling inflation that is gripping the whole country. The money that they thought would do the job nine months ago is simply not enough today. And with work still as much as six months away from being started it is hard to say just how much more of a bite inflation will take in the construction dollar.

Last fall when the temporary board set the bond figure at \$500,000 it was based on the best estimates available at that time but it was without the benefit of an architect or engineering firm because until the district was approved by the voters there was no one to hire such a firm.

Now the board has given tentative approval to a rough set of plans for the remodeling of the hospital and these plans call for an estimated expenditure of \$650,000, plus needed equipment. And this is the second set of plans, the first set was even higher.

The projected tax rate to retire the full \$1,000,000 in bonds (the \$500,000 approved last December and the \$500,000 to be voted on this month) is expected to be 40 cents per \$100 valuation. This is naturally twice as high as the figures projected last fall but then we are talking about twice as much money to do the job.

This struggle to keep a hospital in Hamlin has been a long hard battle and one that will cost each of us, but then no one ever promised that it would be easy or cheap.

The voters of the district gave overwhelming approval for the district last December and indicated that they wanted to pay the price to have their own hospital. Now we must go back to the polls again and indicate our desire to finish the job that we have started.

It is just as important that we have a good turnout of voters for this bond election as it was when the district was created. A good many of your fellow citizens have donated many hours to this project and the least you can do is donate the few minutes it takes to cast your ballot.

Hamlin students register here next week to prepare for the 1974-75 school term. First day of classes will be Monday, Aug. 19.

Elementary school students, kindergarten through fifth grade, are to register Tuesday, Aug. 13, and Wednesday, Aug. 14, from 9 to 12 a.m., 1 to 3 p.m. each day, according to Larry Butler, principal. All students who were not enrolled in Hamlin Elementary School last school term are urged to register at this time in the elementary school office.

Kindergarten will be available for all children age 5 on or before Sept. 1. Records on these children must be complete before the first day of school for them to start.

Parents of children whose records were incomplete at the close of last school term must complete these before school opens.

To enter kindergarten a child must have a copy of his state birth certificate, records from a hospital,

clinic or doctor, showing complete immunizations as specified by state law, and a social security number if available.

Classes will begin at 8:30 a.m. each day and be dismissed at 2:30 p.m. for kindergarten and first and

second grades and 3:30 p.m. for grades three through five.

JUNIOR HIGH SCHOOL

Marvin Carlton, junior high school principal, announces that Aug. 15, eighth grade students will register at 10 a.m. and the seventh graders at 1:30 p.m. Sixth grade students will register at 10 a.m. Aug. 16. Students unable to register at the designated time should register Aug. 16 at 2 p.m.

During registration, students will be enrolled, be issued textbooks, assigned lockers, select electives and receive various forms to take home for parental signatures, Carlton said.

Students entering the Hamlin schools for the first time should bring grade records, a cleared book card, and a complete immunization record. New students may not be officially enrolled until that student presents a properly certified immunization record. Students who attended Hamlin schools last term do not need to furnish immunization records as these are on file at school.

HIGH SCHOOL

Students who pre-enrolled in high school during the past spring semester will report Aug. 15 and 16 to pick up schedules, books and be assigned lockers, according to B. V. Newberry, principal.

Seniors will report from 9 to 10:30 a.m.; juniors from 1 to 2:30 p.m. Aug. 15.

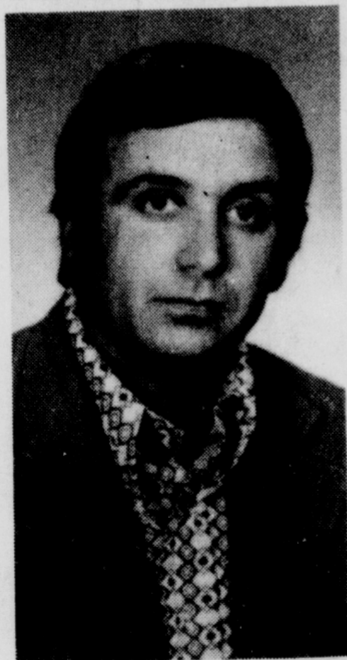

Aug. 16, sophomores will report from 9 to 10:30 a.m. and freshmen from 1 to 2:30 p.m.

All students are requested to bring a pencil or ink pen when they enroll. Special fees include typing fee for typing students, \$4.50 for the year or \$2.25 per semester. Students will be required to purchase workbooks in subjects where required. These will cost from \$1.75 to \$4.50, depending on subject.

LUNCHES

The lunchrooms will be in operation on the first day of school. Cost of lunches for junior high school and high school students served at the high school will be 70 cents per meal.

Elementary students served in the primary building will be 60 cents per meal. Weekly and monthly tickets are also sold.

After days of wishful thinking the rains came Monday measured three inches at the Fred Kemp rain gauge at four o'clock—Monday and still falling.

Ted Abbott returned home Saturday after a visit with grandchildren, Mr. and Mrs. Teddie Abbott of Fredricksburg and their daughter.

We are most happy to have Mr. and Mrs. Rickey Jeffrey and Stuart move to McCaulley. They have bought the Harvison home and are already living there. They plan to remodel as they have time. Rickey works at Celotex.

Ruth Kemp Crance moved from St. Mary's Hospital in Lubbock to her apartment in Lubbock. She is recuperating slowly but is glad to be home after two weeks in the hospital.

Mrs. Bill Young has been in West Texas Medical Center, Abilene, undergoing tests and plans to go back for more

tests and perhaps surgery this week.

Mrs. Eula McHone and Maudie Fancher attended the Fancher Reunion at Buffalo Gap recently.

Mr. and Mrs. Don Ferguson, Brenda and Gail Don of Spur visited in the home of the Charles Fergusons Sunday.

After conferring with Superintendent Paul Morris of McCaulley Schools we would like to suggest a meeting of parents, board members, faculty and patrons of the McCaulley School for cake and ice cream Aug. 27 at 8:30. A good chance to meet new school teachers and personnel.

Word was received that Byron Maberry of Odessa, brother of Luther Maberry of this community, was electrocuted while working on an engine.

at stake from their own selfish interests to write an acceptable document.

Maybe we will learn from this experience and plan a little better the next time we try to rewrite our constitution.

Bobby Moore, this year's Pied Piper Booster Club president, is off and running in his efforts to get that organization going for the coming football season. He launched the membership drive this past weekend and is also selling tickets to a barbecue to be held here the night of the Seymour scrimmage. He also has come up with another way to get into your pocket book but due to postal regulations we can not say anything about this.

But the organization needs your support if it is to effectively meet the needs of our athletic department and our athletes. With the high cost of equipment and other items needed to field a football team it gets harder every year to support the program on gate receipts alone.

OUR USE OF LEISURE

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshiping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

And What Have You

Continued from page 1

If you know you will be out of town on Aug. 24 then you should go by the City Hall and vote absentee.

It is with very mixed emotions that I viewed the Texas Legislature's failure to approve a new constitution after wasting our tax money for the past seven months. I am disgusted that they did not see fit to let the voters decide the issue, but at the same time I don't think the voters of Texas would have approved it anyway.

So in a sense they save the taxpayers of this state a little money, not much in the light of what they wasted, but a little.

It was our opinion from the very beginning that it was foolish to expect the Legislature to come up with an acceptable constitution. These people simply have too much

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF JONES

TO THE RESIDENT QUALIFIED ELECTORS OF THE HAMLIN HOSPITAL DISTRICT, INCLUDING THOSE WHO OWN TAXABLE PROPERTY IN SAID DISTRICT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 24th day of August, 1974, in the HAMLIN HOSPITAL DISTRICT, in obedience to an order duly entered by the Board of Directors of the HAMLIN HOSPITAL DISTRICT, which is attached hereto and made a part of this Notice for all intents and purposes.

WITNESS MY HAND, this 2nd day of August, 1974.
Bill Harbert
Secretary, Board of Directors, Hamlin Hospital District

ORDER FOR ELECTION FOR ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF JONES HAMLIN HOSPITAL DISTRICT

WHEREAS, under the provisions of Chapter 561, Acts of the 63rd Legislature, Regular Session, 1973, provision is made for an election to be held within the area of the HAMLIN HOSPITAL DISTRICT upon the question of whether the Board of Directors shall have power and authority to issue and sell bonds in the name of and upon the faith and credit of the District; and

WHEREAS, at the time of the election for the creation of the District, a proposition was submitted as to whether the Board of Directors of the District would have the authority to issue bonds in the principal amount of \$500,000, and it now appears that additional bonds will be needed in order to accomplish the purposes of the District, so that an election should be called to determine if this Board shall be authorized and have the power to issue and sell additional bonds. (in addition to the bonds approved at the election held December 18, 1973) in the amount of \$500,000; now, therefore,

BE IT ORDERED BY THE BOARD OF DIRECTORS OF THE HAMLIN HOSPITAL DISTRICT:

SECTION 1: That an election be held on the 24th day of August, 1974, which date is not less than fifteen (15) nor more than thirty (30) days from the date of this order, at which election there shall be submitted to the resident qualified electors of the area of the Hamlin Hospital District, including those who own taxable property and who have duly rendered the same for taxation, for their action thereupon, the following proposition:

"SHALL THE BOARD OF DIRECTORS OF THE HAMLIN HOSPITAL DISTRICT be authorized and empowered to issue the bonds of said District to the amount of FIVE HUNDRED THOUSAND DOLLARS (\$500,000) for the purchase, construction, acquisition, repair or renovation of

buildings and improvements and equipping the same for hospital purposes, and for any or all of such purposes, and shall there be levied, assessed and collected annually ad valorem taxes on all taxable property in the District, subject to Hospital District taxation, sufficient to pay the principal of and interest on said bonds as the same become due (providing such tax, together with all other taxes of the District shall not exceed in any one year the rate of 75 cents on each \$100 valuation), said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Directors shall determine?"

SECTION 2: That the official ballots for said election shall be prepared in accordance with V.A.T.S. Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF \$500,000 BONDS"
The Word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 3: That the area of the entire Hamlin Hospital District shall constitute one election precinct and the election shall be held at the City Hall, Hamlin, Texas. The following named persons are hereby appointed officers of the election:

A. B. CARLTON, Presiding Judge
MRS. ARLIE CASSLE, Alternate Presiding Judge

The Presiding Judge shall appoint not less than two nor more than six qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves,

the Alternate Judge shall be one of the clerks.

On election day the polls shall be open from 8:00 A.M. to 7:00 P.M.

Mrs. C. L. White is hereby appointed as the Clerk for absentee voting for said election, and the City Hall in Hamlin, Texas, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 5:00 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 4: Said election shall be held under the provisions of Article IX, Section 9 of the Constitution of Texas, and Chapter 561, Acts of the 63rd Legislature, Regular Session, 1973, which constitutional and statutory provisions shall also govern the holding of the election where in conflict with the General Laws of the State regulating elections.

SECTION 5: All resident qualified electors of the area of the District, including those who own taxable property in the District and who have duly rendered the same for taxation, shall be permitted to vote at said election. At said election two separate ballot boxes shall be provided at each polling place. In one box only resident qualified electors who own taxable property and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of said boxes shall be recorded, returned and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own taxable property and who have duly rendered the same for taxation from the votes cast by all qualified electors (including those who own taxable property and who have duly rendered the same for taxation).
